ANNUAL REPORT

SESSION 2025–26

*“Education is not only the acquisition of knowledge,
but the foundation for building a better society and a better nation.”*

Dr. Radhakrishnan College of Education, Karmeta, Jabalpur, is committed to providing quality and value-based teacher education. The primary objective of the college is to develop knowledge, skills, ethical values, social responsibility, leadership qualities and human sensitivity among prospective teachers.

The college focuses on the holistic development of students. Along with academic and teacher-training activities, various cultural, social, national, community-based and co-curricular activities are organized regularly.

During the academic session 2025–26, the college organized a variety of academic, cultural, social and national activities for the overall development of its students.

2. Academic Activities

During the session, various academic activities were conducted to provide quality teacher training to students. These included:

- Classroom teaching and subject-wise instruction
- Micro-teaching
- Lesson plan preparation
- Preparation and use of teaching-learning materials
- Internal assessment
- Seminars and discussions
- Academic presentations by students
- Practical and experiential activities
- Academic and professional guidance

These activities were designed to develop effective teaching skills, confidence and professional competence among prospective teachers.

3. Orientation Programme

Orientation programmes were organized to familiarize new students with the college, courses, examination system, academic activities, discipline and the process of teacher education.

An Orientation Programme was also organized for D.El.Ed. First Year students. Students were introduced to their curriculum, teaching-learning processes and future academic and professional opportunities.

4. Independence Day Celebration

Independence Day was celebrated in the college with the unfurling of the National Flag and the organization of various cultural programmes. Students presented patriotic songs, poems, speeches and cultural performances, conveying the message of patriotism, national unity and pride.

5. “Har Ghar Tiranga” Campaign

The college organized several activities under the “Har Ghar Tiranga” campaign. The campaign included:

- Tiranga Rally
- Human Chain
- Distribution of National Flags
- Tiranga Selfie Point
- Essay Competition
- Speech Competition
- Quiz Competition
- Rangoli Competition
- Awareness Programmes
- Tiranga Pledge

Students and teachers encouraged local citizens to hoist the National Flag at their homes and promoted respect for the National Flag, patriotism and national unity.

6. Rakhi Making and Rangoli Competitions

To encourage creativity and artistic expression among students, Rakhi Making and Rangoli Competitions were organized. Students enthusiastically displayed their creativity through attractive and innovative designs.

The activities aimed to promote creativity, teamwork and respect for Indian culture and traditions.

7. Community and Service Activities

The college organized community and service-oriented activities with the objective of developing a sense of social responsibility among students.

These activities provided students with opportunities to interact with different sections of society, understand community needs and develop the spirit of service, cooperation and social commitment.

8. Health Awareness and Health Check-up

A free health check-up camp was organized to promote health awareness among students and members of the community. Health professionals provided essential health-related guidance and conducted health check-ups.

The programme aimed to create awareness about health, preventive care and healthy living.

9. Value-Based Education

The college gives special emphasis to education based on human values, ethics, discipline, duty consciousness and social responsibility.

As part of this initiative, a programme/activity on “Shrimad Bhagavad Gita and Value-Based Education” was organized. Students were encouraged to understand the importance of truth, duty, discipline, self-confidence and positive thinking in personal and professional life.

10. National Days and Awareness Programmes

Awareness programmes were organized on various national days and occasions of national importance. Students were sensitized about India's history, freedom struggle, national unity and civic responsibilities.

The activities aimed to develop patriotism, responsible citizenship and social awareness among students.

11. Cultural Activities

Various cultural activities were organized to encourage students to discover and showcase their talents. Students participated in:

- Poetry
- Speeches
- Songs
- Dance
- Drama
- Rangoli
- Creative Art

These activities helped develop students' confidence, communication skills, creativity and ability to express themselves.

12. Teachers' Day and Guru-Shishya Tradition

Activities related to Teachers' Day and the Guru-Shishya tradition were organized to strengthen mutual respect, cooperation and positive relationships between teachers and students.

Students expressed their gratitude and respect towards their teachers through various presentations and activities.

13. Holistic Development of Students

The college believes that teacher education should not be limited to examination-oriented learning. Its aim is to develop students as responsible, sensitive, confident and competent teachers.

During the session 2025–26, students were provided opportunities to participate in academic, social, cultural, national and community activities. These experiences contributed to their personality development, communication skills, leadership qualities, creativity and sense of social responsibility.

14. Conclusion

The academic session 2025–26 was significant in terms of academic, co-curricular, cultural, social and community-oriented activities. Throughout the session, continuous efforts were made for the development of students' knowledge, skills, personality, creativity, social awareness and human values.

The college remains committed to providing quality teacher education and preparing teachers who can contribute meaningfully to the development of society and the nation.

Message

***“Education is not merely the transfer of knowledge;
it is the power to build better individuals, better communities and a better nation.”***
